4. Click on **checkout**.

5. On the next window, fill the form (e.g. name, last name, email, nationality, etc).

6. Add the coupon code on the right side where it says: **Add coupon code**

7. Once the coupon code is entered and all the form is filled, click: **Continue**. (The total should be a reduced ticket price or zero).

8. The next steps will be shown to finalise the payment (or NO payment) and conclude the registration.

Thank you for joining us!
